Pre-Class Q&A Slide show – How'd she do that?

The image shows a screenshot of the Microsoft PowerPoint 'Set Up Show' dialog box. The dialog box is titled 'Set Up Show' and has a close button (X) in the top right corner. It is divided into several sections:

- Show type:** Three radio button options: 'Presented by a speaker (full screen)' (selected), 'Browsed by an individual (window)', and 'Browsed at a kiosk (full screen)'. This section is highlighted with a red box.
- Show slides:** Three radio button options: 'All' (selected), 'From: [start] To: 8', and 'Custom show:'. This section is highlighted with a red box.
- Show options:** A list of checkboxes: 'Loop continuously until 'Esc'' (checked), 'Show without narration', 'Show without animation', and 'Disable hardware graphics acceleration'. Below these are 'Pen color:' and 'Laser pointer color:' dropdown menus. This section is highlighted with a red box.
- Advance slides:** Two radio button options: 'Manually' and 'Using timings, if present' (selected). This section is highlighted with a red box.
- Multiple monitors:** Three dropdown menus: 'Slide show monitor:' (set to 'Primary Monitor'), 'Resolution:' (set to 'Use Current Resolution'), and 'Use Presenter View' (unchecked). This section is highlighted with a red box.

At the bottom of the dialog box are 'OK' and 'Cancel' buttons. The background shows the PowerPoint ribbon with the 'PRESENT' tab selected, and the 'Start Slide Show' group containing 'From Beginning', 'From Current Slide', 'Present Online', and 'Custom Slides' options.
